

Military Service and Draft Resistance Worksheet

1. What were some of the challenges that made deciding to serve or resist a difficult choice for Japanese Americans?

2. After listening to the oral histories, what were the determining factors each person used to make their decision?

3. Based on what you know, do you think it was right for the United States government to draft Japanese Americans?

4. Did Japanese Americans have a responsibility to serve in the armed forces? Why or why not?
