Federal Bureau of Investigation

Walter G. Anderson, Washington
Chief Assistant, East Room 3011
Postroom, Washington

July 24, 1944

Mr. WALTER G. ANDERSON,
Room 3715-B-4
Postroom
Federal & State Buildings,
Beltsville,
District of Columbia
Dear Mr. Anderson:

Reference is made to your letter of July 14, 1944, regarding the Bureau's interest in the work of the National Labor Relations Board in the field of labor relations.

Dear Sir:

This case has been reviewed at this headquarters by some of the staff of the Bureau for the purpose of the fact, if any, that it was conducted from the National Labor Relations Board at Chicago, Illinois.

In connection with our studies on labor relations, it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations, and it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations.

For your information, it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations, and it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations.

It is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations, and it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations.

The National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations, and it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations.

The National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations, and it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations.

The National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations, and it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations.

The National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations, and it is noted that the National Labor Relations Board has been conducting a study of the work of the National Labor Relations Board in the field of labor relations.

NOV 1944

Information regarding our man's social and industrial habits, behavior, social and family attitudes, sense of responsibility and reputation in the community.

Information regarding our man's social and industrial habits, behavior, social and family attitudes, sense of responsibility and reputation in the community.

Personality and environmental factors which might have contributed toward the subject's maladjustment and delinquency.

The community to which our subject is most closely attached through family ties, length of residence and previous employment; his place of bona fide residence.

Suggestions regarding a probable parole adviser and employer.

Any other revealing social data or comments regarding our man or his family which may assist us in our evaluation of this case.

For your information in dealing with this man's relatives or friends, it may be stated that he becomes eligible for parole consideration on June 25, 1945. Should parole be denied, he would then become eligible for conditional release on October 16, 1946, provided that his institutional conduct prove satisfactory.

We hope that you will be able to give our request early consideration and furnish us with a report in duplicate prior to Admission Classification, which will be on August 8, 1944.

Thanking you for your assistance and cooperation in this matter, I am

Very truly yours,
For the Director

By *John J. Hopkins*
